Welcome to Leigh RUFC

A very warm welcome to all Competitors, Officials and Spectators this afternoon. I hope that you all have a very pleasant time and I hope that the players will enjoy playing on our new pitch, which is just coming to the end of its first season in use.

Please remember that this Finals Day is primarily a Players' Day and in some cases it will be the pinnacle of some of their careers, so let's all give them the respect and support that they deserve to make their day an enjoyable and memorable one.

Without grassroots rugby the game would struggle to survive and it is often the lower teams that give a Club its soul. They add a vibrancy and it is, more often than not, the lower teams and their families who support the many functions and activities which make for a real rugby club. This is their day in the sun (hopefully!) so let's make it a good one.

Finally, I would like to say a massive thank you to the Lancashire Committee, for their hard work in running such a marvellous organisation.

Enjoy your day.

Yours in rugby,

Tony Trumble
Chairman
